June/Holly,

I know this is a lot to ask, but would you mind giving my resume a once over? I am going to be submitting it along with my application for the Senior Assistant City Clerk position in Pasadena.

The deadline for submitting the application is Thursday, June 27, but I wanted to get it in by Wednesday just in case there are any issues.

Know that I love working at the Election Division. I do. Without a doubt, this has been the best job I have EVER had. I love working here. I want you to know that the only reason I'm even applying to this position is because it would be a great opportunity to continue to grow and learn more as a professional.

I'd appreciate any sage advice you have to provide.

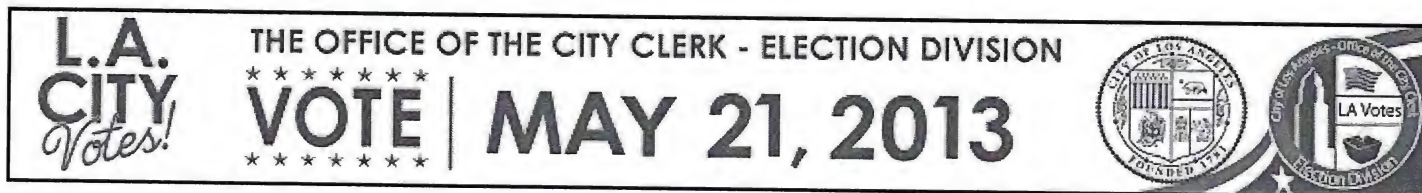

Thank you,

—
